

# Sbm M office cabinets

## Description

Equipping Sbm M office cabinets with levelling feet allows for stable positioning on uneven surfaces, thus ensuring secure storage of documents. The feet are made of durable plastic (polyamide). Sbm M office cabinets are also equipped, as a standard, with sliders to facilitate moving the cabinets.

## Additional information:

- Installed levelling adapter with screwed-in feet do not increase height of cabinets.
- Unscrewing levelling feet gives possibility to lift cabinet by 10 mm (then the cabinet stands on levelling feet, not the sliders).
- Levelling feet are supplied with each cabinet and placed inside - for self-assembly

## List of GS-certified Sbm M cabinets:

Sbm 101M, Sbm 102M, Sbm 103M, Sbm 107M, Sbm 201M, Sbm 202M, Sbm 203M, Sbm 204M, Sbm 206M, Sbm 212M, Sbm 213M, Sbm 215M, Sbm 401M, Sbm 402M, Sbm 403M, Sbm 405M, Sbm 801M, Sbm 802M, Sbm 803M, Sbm 804M.
